# ELIMINATING HEALTH DISPARITIES AMONG MEN AND BOYS

---

*Men and boys from vulnerable populations have some of the worst health outcomes in the country. Join a panel of experts who will discuss:*

- *Disparities among vulnerable populations such as racial/ethnic and sexual minorities*
- *Priority issues such as violence, trauma, depression and substance use*
- *Evidence-based policy solutions and policy recommendations*

### Speakers Include:

*Wisdom Hammond-Powell, PhD, University of North Carolina at Chapel Hill*

*Derek M. Griffith, PhD, Vanderbilt University*

*Arthur W. Blume, PhD, Washington State University*

*Roland J. Thorpe, PhD, Johns Hopkins University*
